

SN 10/606,018
Amendment
Page 10 of 10

Remarks:

Applicant appreciates the Examiner's careful examination of this application, including the prior art search.

The application has now been amended, canceling claim 7, and putting claim 12 into independent form. Claims 1, 15 and 20 have been amended to add a baffle in the larger diameter upper portion of the airway tube. This should now put all the claims in condition for allowance.

Respectfully submitted,

Theresa Fritz Camoriano
